

## Y9 Technology/ICT Homework project Spring 1

Hand in to your technology teacher on or before 23<sup>rd</sup> February 2012

### The Perfect Breakfast

**Outline description of task:** Design a breakfast suitable for sale in the Academy restaurant. You must consider the needs of the target group: multi-cultural, allergies and intolerances, vegetarianism and likes and dislikes.

#### Breakdown of tasks - sections

Mind map what people could eat for breakfast around the world - use multicultural cookery books, talk to people you know from different cultures/countries and use Google.

Investigate foods which someone could be allergic or intolerant to.

Research different types of vegetarians

Carry out a questionnaire to find out what teenagers would like to buy for breakfast in the school canteen. How many are vegetarian?  
How many suffer from a specific food allergy.

Present results of questionnaire as charts and describe results in a conclusion.

Find suitable recipes which would meet the needs of the consumer.
