

YEAR 7 Homework Project Spring 1

There are many small items which need to be kept safe and protected (e.g. mobile phone, 'glasses', iphone).

Find examples of existing protective covers and create an A4 display page to go in a magazine.

Your work should be:

- Colourful
- Easy to understand
- Labelled to say
 - what they are made from
 - what item/s they will protect
 - how they are decorated

Extension work:

Find out the meaning of the following:

Applique

Quilting

Tie-dye

Your work should be completed and handed in to your DT teacher week beginning
6th February 2012
