Dear Parent/Carer

CONSENT FOR USE OF PHOTOGRAPHIC AND VIDEO MATERIALS

In the Academy we regularly use photographs and videos of our students to promote the activities of the Academy and enhance the student experience. We therefore request your consent to use these images in our promotional activities and to enhance the academic work of the students.

Please be aware that an image may also be used for press release (ie website, Coastal View editions and promotional material).

I would be grateful if you would complete the consent form at the foot of this letter and return to the Academy as soon as possible.

Yours sincerely

MRS J FOXTON
Deputy Principal
