EXAM CERTIFICATES

Exam certificates will be available on a collection evening at the Academy this will be November 2017 and you will receive a letter beforehand advising you of the date and time.

After the collection evening any uncollected certificates will be available for collection from academy reception providing you show proof of your identity. We regret, but for security reasons, we cannot post them to you.

Be aware, in line with exam board guidelines, we will only hold certificates for one year (until August 2018) after which time they will be confidentially destroyed.

If you need them after this date you will have to apply directly to the exam boards for a Certifying Statement of Results, and a fee of approximately £35 per exam board will apply.
